Pragmatic Play created the online slot machine Safari King, which features 50 fixed paylines. The biggest win - every spin - is considerably above 1,000X your bet in this extremely unpredictable game. Safari King has a 96.49% RTP and offers a profitable free-spins bonus round. The game can also be played for as little as 0.50 or as much as 50 per spin.

### Slot Features

The gorgeous online slot machine Safari King from Pragmatic Play does an excellent job of portraying creatures in African wilderness.

There are 50

paylines on the fixed-bet online slot machine Safari King, so there are many opportunities to win each time the reels are spun. This game is ideal for high rollers and penny slot gamers because you may wager between .50 coins and 250 coins per spin.

The Safari King online slot features elephants, rhinos, and zebras, much like many other excellent animal-themed games with an African setting. Payouts for low-paying symbols range from 10-150x your line wager for three or more nines or tens to 20-400x for three or more aces.

All of the symbols with large payouts are depicted as African animals. In fact, we thought the high-paying icons in our review of the Safari King online slot were quite kind. While the cheetah and rhinoceros both pay up to 500x your line bet, the gazelle and zebra pay 20-400x and 20-400x, respectively, your line bet. In this 50-payline Safari King slot machine, keep in mind that you can wager up to 10 coins per line.

The online slot machine Safari King offers a free spins bonus that is very typical. Three BONUS symbols must land anywhere on the screen to activate it. Eight free spins are awarded when you see three bonus symbols. Even while that doesn't seem ideal, more wilds can be added to the free spins to improve them.

Before each spin during the bonus game, a wild symbol is placed to reels 2, 3, 4, and 5. The additional wilds will remain in place throughout the bonus feature. For each bonus symbol that lands on the reels, an additional free spin can also be awarded. The total number of additional spins you can win is unlimited.
